

Grace Lutheran Preschool has provided the members of our congregation along with the community a wonderful educational opportunity for children. Through the donations, towards the construction costs, which were received last year the preschool is now eligible for the Thrivent Giving-Plus Grant.

#### **Thrivent Giving-Plus Grant**

At the end of last year Thrivent Financial for Lutheran announced that the GivingPlus Program was being phased out and would be replaced in 2010 with a new program called Thrivent Choice. For the first 6 months of 2010, Thrivent Financial is offering a GivingPlus phase-out grant. The Grace Lutheran Preschool is eligible for a one time phase-out challenge grant for \$660.00. To receive this grant we need to raise \$1,320.00 in a challenge grant. ***This challenge is not just limited to Thrivent Members; all members can donate to this fundraiser.*** The Board of Finance has decided to do a collection in the month of March. If you are interested in donating please, use the envelopes provided at the Welcome Center, mark your donation for the preschool and drop off at the front office. These donations and grant funds will go towards the construction costs that we acquired this past year to start the preschool. Please prayerfully consider supporting the Grace Preschool Ministry in receiving these grant funds.
